• CONTRIBUTION OF COLLEGE AT THE TIME OF COVID-19

PURCHASE OF OXYGEN CYLINDER:

Introduction: Covid-19 installed a panic-stricken situation in the public. It was the general health and hygiene that suffered a lot. Most importantly lack of oxygen cylinders created a havoc threat among the masses.

Objectives of the scheme: Considering the plight of the general public and our stakeholders in particular it was decided in the Teachers' Council meeting that some oxygen cylinders had to be purchased. TC unanimously decided to create a fund for the sake of this. And in this regard two 10 kg and one 20 kg cylinders were purchased. Along with this, some masks and other peripheries to combat initial damage of Covid-19 were also brought.

Coverage under the scheme: It was the high-time of Covid-19 and each and everyone in the society was trying to help the person suffering from the damage caused by the monstrous disease. In this regard the steps taken by our institution to provide oxygen cylinder at the time of dire need was of immense help. Some of our staff took that opportunity to use the same and the institution was fortunate enough to serve society in general.

Benefits accrued: Numerous teaching and non-teaching staff were opportune enough to use these facilities.

Result: The outcome is very encouraging as it has appeared to the general body of the stakeholders of the college that the abovementioned facility was of immense help to society. The solidarity shown by the teaching and non-teaching staff of the college with their students has received widespread appreciation from the academic fraternity and others including the college website and College Facebook platforms.

COVID-19 VACCINATION PROGRAMME

The college organized Covid-19 vaccination camps to sensitize students and employees toward their duties and responsibilities as Indian citizens. At that time of crisis Vaccination Camp was of seminal help to the people from the localities, too.

TO WHOM IT MAY CONCERN

On behalf of the Governing Body of Vivekananda Mahavidyalaya, Burdwan, I extend heartfelt gratitude to each one of you for your generous contribution of Rs. 1,44,100/- (Rupees One lakh forty-four thousand one hundred only) towards the West Bengal State Relief Fund on 11/04/2020. Your support during these challenging times brought about by the Covid-19 pandemic exemplifies the spirit of compassion and solidarity that defines our institution.

Your collective effort reflects not only your empathy but also your commitment to societal welfare, reinforcing our institution's values of community service and humanitarianism. Your contributions will undoubtedly make a significant impact on those affected by this crisis, demonstrating our shared responsibility towards the larger community.

Once again, I express my deepest appreciation for your kindness and generosity. Let us continue to stand together in support and solidarity as we navigate through these unprecedented times.

COLLEGE GRANT

There are numerous scholarships available to students. Governmental scholarships like SVMCM, AIKASHREE, KANYASHREE etc are also provided to students and proper care is taken to oversee the matter so that a single student should not be deprived of the same. At times college has a practice of economically helping students with Half-Free and Full-free of college fees.

BRIEF REPORT ON THE OBSERVATION OF COMMEMORATIVE DAYS

The observation of Commemorative Days in the college promotes celebrations and observance of important days which are set by the Government and different organizations to commemorate a public health or ethical cause of importance on the national or international level. Each year throughout the session Vivekananda Mahavidyalaya, Burdwan celebrates as well as observes such days with due respect and enthusiasm. Given that India has a culturally and religiously rich and complex heritage to value, numerous episodes in its history have to be remembered and recollected with proper veneration. There are memorable legends whose life stories have to be conveyed to the coming generations, too, so that the young and bright minds can continue to shoulder that responsibility while performing his or her part as concerned citizen of India. Observation of such days displays diversity as well as all-inclusivity of our heritage that we consider to be our own.

India's rich cultural and religious heritage provides a backdrop against which these observances take place. The country's history is replete with episodes that deserve remembrance and reverence. By commemorating these events and the lives of legendary figures, the college ensures that these stories are passed down to future generations. This transmission of knowledge and values empowers young minds to embrace their roles as responsible citizens of India.

Furthermore, These celebrations foster a sense of unity among students and faculty, emphasizing the shared responsibility of preserving and promoting India's cultural legacy.

In essence, the college's commitment to observing Commemorative Days not only enhances educational experiences but also nurtures a deep appreciation for India's heritage and a sense of civic duty among its community. Through these commemorations, Vivekananda Mahavidyalaya plays a vital role in shaping socially conscious and culturally aware individuals who are poised to contribute positively to society.

Govt. of West Bengal

A few lines about the college:

Vivekananda Mahavidyalaya was established in 1964, a government sponsored college located at Sripally, Burdwan, West Bengal. It claims to be one of the reputed colleges under the University of Burdwan. The college is re-accredited by NAAC with B+ in 2016. Sixteen Departments having honours and general courses with PG in Chemistry are running successfully. The grand vision of the institution is to transform the learners into men and women of confidence and competence.

Relevance and Importance of the Workshop :

Statistical data reveals that the region surrounding the college is an economically challenged one. Cultivation is the main occupation of the people. But agriculture of this region is mostly rain dependent. Ground water is not easily and economically harvestable. Due to low size of landholding and greater percentages of illiteracy, they compel to work labour oriented jobs. Owing to their low income level, most of the families live below poverty line. Moreover, maximum students in this region are the first-generation learners. Due to multidirectional problems students cannot lead their educational orientation in science directed subjects. Lack of proper guidance, lack of motivation in science leads them to become superstitious, fundamentalist and even dropouts. So, it's our responsibility to orient the students to develop an independent mind for thinking, pursue their natural curiosity and quench their thirst of creativity in a scientific way.

Many Schools of this region are struggling for their proper infrastructure in science. Also, it is quite difficult to get students to be interested in science when the resource is a textbook only. We believe that, our college is a big platform and will be able to provide proper guidance and infrastructure to inculcate scientific temper and attitude among the school students through the practice of modern methodology. Through this Science awareness camp we will try to develop their efficiency using the way of observation, experimental demonstration, analytical approach and hand-on experiments. This camp aims to enrich school students besides our own.

We are thankful to the West Bengal State Council of Science and Technology for financial assistance.

TO WHOM IT MAY CONCERN

I do hereby appreciate the Child Labour Prohibition Campaign, organized by the NSS Unit of Vivekananda Mahavidyalaya, Burdwan on 18.05.2022 in the neighbourhood public domain. This type of extension activities of them is highly admirable in our local Panchayat area.
