Computer Lab.

Respected Sir,

With due humble request we would like to inform you that we are the students of the Dept. of Geography (Hons.) of your undertaking Institute. It's our urge to you to arrange more computers for the smart room. The computers which we have are not sufficient for all students. It is inadequate to meet the needs of our growing student population. Increasing the number of computers will enhance the learning experience, promote efficiency, and prepare students for success in a digital world. We will be grateful to you if you kindly consider the matter and arrange some more computers for the department.

Sir,

With due respect & humble submission, I, on behalf of the students of Vivekananda Mahavidyalaya would like to request you to look into the matter that the boys PWD students need a separate bathroom inside the college campus. Currently the PWD male students face a lot of difficulty due to the unavailability of a bathroom specifically for them. So it will be beneficial for them to have a separate bathroom.

Under such circumstances, we would urge you to take necessary steps to solve this problem at the earliest.

RESOLUTIONS

In the meeting it is unanimously resolved that Principal is to be informed to look into the matter so that the sweepers sweep all the bathrooms regularly and keep those bathrooms clean. Every member thinks that it is an urgent necessity to arrange separate sick room for girls' student. Furthermore, it is absolutely necessary for the construction of separate bathrooms for the PWD student of boys and girls in the campus. Girl students have already a separate cycle stand. As the space of cycle stand is small, it has to be enlarged elsewhere. Present members unanimously requested Joint conveners of Disciplinary, Anti-ragging and Grievance Redressal Committee to convey the matter to Principal as early as possible.

Sub: Need more job-oriented training programmes like

Respected Sir,

I am a student of BSc, 3rd year, Chemistry honours in Vivekananda Mahavidyalaya. I am writing to address a crucial concern regarding the need for more job-oriented training programmes within our esteemed institution, Vivekananda Mahavidyalaya. I believe that incorporating such programmes is vital for our academic and career development. In recent years, private companies like TCS and others have set remarkable examples by offering job-oriented ^{training} programmes.

Therefore, I kindly request to you to take proactive measures in addressing this issue. I appreciate your attention to this matter and look forward to seeing positive changes that benefit us. Thank you for your time and consideration.

Resolution

Two playgrounds of our institution: one in Balidanga mowza and another in Jagatberi mowza are cleaned twice in a year. In spite of that bushes and shrubs have grown here and there which hinders smooth playing in the field. Therefore to make clean of the field Principal Sir is to be informed. Each year Career Counseling and Students Welfare Committee organized various job oriented programmes and seminars in our College. Members of the Committee unanimously resolved that both the Joint Convenors will request to the Joint Convenors of Career Counseling and Student Welfare Committee to organize more job oriented workshops, seminars and programmes in the College.

Resolutions: — (No. 2 / 2022 - 23)

• In the meeting of TCC, all the members were of the opinion that strict warning ~~to~~ should be given to the student involved followed by a counselling session.

• A detailed report was submitted to the competent authority.

• There are NO PENDING CASES at present.

- It was decided in the meeting that
I.C.C. would try to work harder to prevent such
incident.

The Principal
Vivekananda Mahavidyalaya,
Burdean.

I have a complaint. One of my classmate
by Bratajil Ghosh is continuously throwing
re remarks towards me, not in the
room but outside of it.

As it is quite insulting for me, please
needed action against him so that he stops
doing such misance.

Thanking you,

Burdean
